Authorized Signatory

Dated:

1. Interest.

United States Steel Corporation, a Delaware corporation (the "Company" and the "Issuer") promises to pay interest on the principal amount of this Note at the rate per annum set forth above.

The Issuer shall pay accrued interest semiannually on each April 1 and October 1, commencing on October 1, 2013 or if any such day is not a Business Day (as defined in the Indenture referred to below), on the next Business Day.

2. Method of Payment

The Issuer shall pay the principal of (and premium, if any) and interest on the Notes (except defaulted interest) to the Persons who are the registered Holders at the close of business on the Record Date immediately preceding the Interest Payment Date even if the Notes are cancelled, repurchased or redeemed after such Record Date, and on or before such Interest Payment Date. Holders must surrender Notes to the Paying Agent to collect principal payments. The Issuer shall pay principal and interest in money of the United States that at the time of payment is legal tender for payment of public and private debts ("U.S. Legal Tender"). However, the Issuer may pay principal and interest by check payable in such U.S. Legal Tender. The Company may deliver any such interest payment to the Paying Agent or to a Holder at the Holder's registered address.

3. Paying Agent and Registrar.

Initially, The Bank of New York Mellon will act as Paying Agent and Security Registrar. The Company shall notify each Holder of changes in the identity of the Security Registrar. The Company or any of its domestically incorporated wholly-owned Subsidiaries may act as the Paying Agent.

4. Indenture.

The Issuer issued the Notes under an Indenture, dated as of May 21, 2007 (the "Base Indenture"), between the Issuer and The Bank of New York Mellon (as successor to The Bank of New York), a New York banking corporation (the "Trustee"), as supplemented by a Sixth Supplemental Indenture, dated as of March 26, 2013, between the Issuer and The Bank of New York Mellon, a New York banking corporation, as Trustee (the "Supplemental Indenture," and together with the Base Indenture, the "Indenture"). The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939 (15 U.S. C. §§ 77aaa-77bbbb), as in effect on the date of the Indenture (the "TIA"). Capitalized terms used herein and not defined herein have the meanings ascribed thereto in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture and the TIA for a statement of terms.

The Notes are senior and unsecured obligations of the Issuer. The Notes include the initial Notes and any additional Notes actually issued. The initial Notes and any additional Notes actually issued are treated as a single class of securities under the Indenture. The Indenture imposes certain limitations on the incurrence of Liens and certain sale and leaseback transactions with respect to Principal Property and limits the Company's ability to consolidate, merge or transfer, all or substantially all of the Company's assets. Each Holder, by accepting a Note, agrees to be bound by all of the terms and provisions of the Indenture. Any conflict between this Note and the Indenture will be governed by the Indenture.

5. Optional Redemption.

On and after April 1, 2017, the Company may redeem the Notes, at its option, at any time in whole or from time to time in part, upon not less than 30 nor more than 60 days' notice, at the redemption prices (expressed in percentages of principal amount) listed below, plus accrued and unpaid interest on the Notes, if any, to, but excluding, the applicable redemption date, if redeemed during the twelve-month period beginning on April 1 of the years indicated below.

<u>Year</u>	<u>Percentage</u>

2018	101.719%
2019 and thereafter	100.000%

At any time prior to April 1, 2017, the Company may also redeem the Notes, at its option, at any time in whole, or from time to time in part, at a price equal to the greater of:

- (i) 100% of the principal amount of the Notes to be redeemed; or
- (ii) the sum of the present values of the redemption price of the Notes to be redeemed if they were redeemed on April 1, 2017 (as described in the prior paragraph) and all required interest payments due on such Notes through April 1, 2017, exclusive of interest accrued to the date of redemption, discounted to the date of redemption on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at the applicable Treasury Yield plus 50 basis points,

plus accrued and unpaid interest, if any, to, but excluding, the date of redemption.

6. Notice of Redemption.

The Notes called for redemption become due on the date fixed for redemption. Notices of redemption shall be mailed by first-class mail at least 30 but not more than 60 days before the redemption date to each Holder to be redeemed at its registered address. The notice of redemption for the Notes shall state the amount to be redeemed. On and after the redemption date, interest shall cease to accrue on any Notes that are redeemed. If less than all of the Notes are redeemed at any time, the Trustee shall select Notes on a pro rata basis or by any other method the Trustee deems fair and appropriate.

8. Denominations; Transfer; Exchange.

The Notes are in registered form without coupons in denominations of \$1,000 and integral multiples thereof. A Holder may register, transfer or exchange Notes in accordance with the Indenture. CR = the Conversion Rate in effect immediately after the open of business on such Ex-Dividend Date or Effective Date;

OS = the number of shares of Common Stock outstanding immediately prior to the open of business on such Ex-Dividend Date or Effective Date; and

OS = the number of shares of Common Stock that will be outstanding immediately prior to the open of business on such Ex-Dividend Date or Effective Date after giving effect to such dividend, distribution, share split or share combination.

Any adjustment made under this Section 4.04(a) shall become effective immediately after the open of business on the Ex-Dividend Date for such dividend or distribution, or immediately after the open of business on the Effective Date for such share split or share combination, as applicable. If any dividend or distribution of the type described in this Section 4.04(a) is declared but not so paid or made, the Conversion Rate shall be immediately readjusted, effective as of the date the Board of Directors determines not to pay such dividend or distribution, to the Conversion Rate that would then be in effect if such dividend or distribution had not been declared.

(b) If the Company distributes to all or substantially all holders of the Common Stock any rights, options or warrants entitling them, for a period of not more than 45

- (i) dividends, distributions or issuances as to which an adjustment was effected pursuant to Section 4.04(a) or Section 4.04(b);
- (ii) dividends or distributions paid exclusively in cash as to which an adjustment was effected pursuant to Section 4.04(d); and
- (iii) Spin-Offs as to which the provisions set forth below in this Section 4.04(c) shall apply;

then the Conversion Rate shall be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{SP_0}{(SP_0 - FMV)}$$

where,

CR<sub>0</sub> = the Conversion Rate in effect immediately prior to the open of business on the Ex-Dividend Date for such distribution;

CR<sub>1</sub> = the Conversion Rate in effect immediately after the open of business on such Ex-Dividend Date;

SP<sub>0</sub> = the average of the Last Reported Sale Prices of the Common Stock over the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the Ex-Dividend Date for such distribution; and

FMV = the fair market value (as determined by the Board of Directors) of the Distributed Property with respect to each outstanding share of Common Stock as of the open of business on the Ex-Dividend Date for such distribution.

Any increase made under the portion of this Section 4.04(c) shall become effective immediately after the open of business on the Ex-Dividend Date for such distribution. If such distribution is not so paid or made, the Conversion Rate shall be decreased to the Conversion Rate that would then be in effect if such distribution had not been declared.

Notwithstanding the foregoing, if “FMV” (as defined above) is equal to or greater than “SB” (as defined above), in lieu of the foregoing increase, each Holder of a Note shall receive, in respect of each \$1,000 principal amount thereof, at the same time and upon the same terms as holders of the Common Stock, the amount and kind of Distributed Property such Holder would have received if such Holder owned a number of shares of Common Stock equal to the Conversion Rate in effect on the Ex-Dividend Date for the distribution.

Section 4.10. Notice to Holders of the Notes Prior to Certain Actions

In case of any:

- (a) action by the Company or one of its Subsidiaries that would require an adjustment in the Conversion Rate pursuant to Section 4.04 or Section 4.11;
- (b) Share Exchange Event or any consolidation or merger, or any transfer of assets in accordance with Section 8.01 of the Base Indenture; or
- (c) voluntary or involuntary dissolution, liquidation or winding-up of the Company or any of its Subsidiaries;

then, in each case (unless notice of such event is otherwise required pursuant to another provision of this Indenture, excluding for the avoidance of doubt Section 4.04(k)), the Company shall cause to be filed with the Trustee and the Conversion Agent (if other than the Trustee), to be mailed to each Holder of the Notes at its address appearing on the Security Register and to post on its website, as promptly as possible and at least 20 calendar days prior to the applicable date hereinafter specified, a notice stating (i) the date on which a record is to be taken for the purpose of such action by the Company or one of its Subsidiaries or, if a record is not to be taken, the date as of which the holders of shares of Common Stock of record are to be determined for the purposes of such action by the Company or one of its Subsidiaries, or (ii) the date on which such Share Exchange Event, any consolidation or merger, or any transfer of assets in accordance with Section 8.01 of the Base Indenture, dissolution, liquidation or winding-up is expected to become effective or occur, and, if applicable, the date as of which it is expected that holders of shares of Common Stock of record shall be entitled to exchange their shares of Common Stock for securities or other property deliverable upon such Share Exchange Event, or consolidation or merger, or any transfer of assets in accordance with Section 8.01 of the Base Indenture, dissolution, liquidation or winding-up. Failure to give such notice, or any defect therein, shall not affect the legality or validity of such action by the Company or one of its Subsidiaries, Share Exchange Event, consolidation or merger, or any transfer of assets in accordance with Section 8.01 of the Base Indenture, dissolution, liquidation or winding-up. Each Conversion Agent (other than the Company or an affiliate of the Company) shall have the same protection under this Section 4.09 as the Trustee.

Section 4.11. Shareholder Rights Plans

If the Company has a shareholder rights plan in effect upon conversion of the Notes, Holders that convert their Notes shall receive, in addition to any shares of Common Stock received in connection with such conversion, the appropriate number of rights, if any, and any certificate representing the share of Common Stock issued upon such conversion shall bear such legends, if any, in each case as may be provided by the terms of any such shareholder rights plan, as the same may be amended from time to time. If, however, prior to any conversion, the rights

have separated from the shares of Common Stock in accordance with the provisions of the applicable shareholder rights plan, the Conversion Rate will be adjusted at the time of separation as if the Company distributed to all holders of shares of Common Stock Distributed Property, pursuant to Section 4.04(c), subject to adjustments in the event of the expiration, termination or redemption of such rights.

Section 6.07. Waiver of Past Defaults.

Notwithstanding anything to the contrary herein, no waiver by a majority of Holders of the Notes pursuant to Section 5.13 of the Base Indenture may extend to any Default:

Authorized Signatory

Dated:

York Mellon, a New York banking corporation, as Trustee (the "Supplemental Indenture," and together with the Base Indenture, the "Indenture"). The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939 (15 U.S. C. §§ 77aaa-77bbb), as in effect on the date of the Indenture (the "TIA"). Capitalized terms used herein and not defined herein have the meanings ascribed thereto in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture and the TIA for a statement of terms.

The Notes are senior and unsecured obligations of the Issuer. The Notes include the initial Notes and any additional Notes actually issued. The initial Notes and any additional Notes actually issued are treated as a single class of securities under the Indenture.

Each Holder, by accepting a Note, agrees to be bound by all of the terms and provisions of the Indenture.

Any conflict between this Note and the Indenture will be governed by the Indenture.

5. Conversion.

Subject to the provisions of the Indenture, the Holder hereof has the right, at its option, during certain periods and upon the occurrence of certain conditions specified in the Indenture, prior to the close of business on the second Scheduled Trading Day immediately preceding the Maturity Date, to irrevocably convert any Notes or portion thereof that is \$1,000 or an integral multiple thereof, into cash, shares of Common Stock or a combination of cash and shares of Common Stock, at the Issuer's election, at the Conversion Rate specified in the Indenture, as adjusted from time to time as provided in the Indenture.

6. Notice of Redemption.

Subject to the provisions of the Indenture, the Notes called for redemption become due on the date fixed for redemption. The Company shall give Redemption Notice not less than 30 nor more than 60 calendar days immediately preceding the Redemption Date to each Holder to be redeemed at its registered address. The Redemption Notice for the Notes shall state the amount to be redeemed. On and after the Redemption Date, interest shall cease to accrue on any Notes that are redeemed. If less than all of the Notes are redeemed at any time, the Trustee shall select Notes by lot, pro rata to the extent practicable or by another method the Trustee routinely uses, and in each case to the extent permitted by DTC.

In the event of redemption of this Note in part only, a new Note or Notes of this series in principal amount equal to the unredeemed portion hereof will be issued in the name of the Holder hereof upon the cancellation hereof, subject to Section 2.03(c) of the Supplemental Indenture.

7. Purchase at Option of Holders of the Notes Upon a Fundamental Change

Subject to the provisions of the Indenture, upon the occurrence of a Fundamental Change, the Holder has the right, at such Holder's option, to require the Issuer to repurchase for cash all of such Holder's Notes or any portion thereof (in principal amounts of \$1,000 or integral multiples thereof) on the Fundamental Change Purchase Date at a price equal to the Fundamental Change Purchase Price.

8. Denominations; Transfer; Exchange.

The Notes are in registered form without coupons in denominations of \$1,000 and integral multiples thereof. A Holder may register, transfer or exchange Notes in accordance with the Indenture. The Security Registrar may require a Holder, among other things, to furnish appropriate endorsements or transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. The Security Registrar need not register the transfer of or exchange any Notes selected for redemption (except, in the case of a Note to be redeemed in part, the portion of the Note not to be redeemed) for a period beginning 15 business days before a selection of Notes to be redeemed and ending on the date of such selection.

9. Persons Deemed Owners

The registered holder of this Note shall be treated as the owner of it for all purposes.

10. Unclaimed Money.

If money for the payment of principal or interest remains unclaimed for two years after the date of payment of principal and interest, the Trustee or Paying Agent shall pay the money back to the Issuer without interest thereon upon written request by the Issuer. After any such payment, Holders entitled to the money shall look only to the Issuer and not the Trustee for payment.

11. Defeasance.

The Notes are not subject to the provisions relating to defeasance set forth in Article XIII of the Base Indenture.

12. Amendment, Waiver.

Subject to certain exceptions set forth in the Indenture, (i) the Indenture or the Notes may be amended with the written consent of the Issuer and the Holders of at least a majority in principal amount of the Outstanding Notes and (ii) any default or noncompliance with any provision may be waived with the written consent of the Holders of a majority in principal amount of the Outstanding Notes. Subject to certain exceptions set forth in the Indenture, without the consent of any Holder, the Issuer and the Trustee may amend the Indenture or the Notes to, among other things, cure any ambiguity, omission, defect or inconsistency, or to provide for uncertificated Notes in addition to or in place of certificated Notes, or to secure the Notes, or to add additional covenants of the Issuer or surrender rights and powers conferred on the Issuer, or to make any change that does not materially and adversely affect the rights of any Holder.

13. Defaults and Remedies.

Holders may not enforce the Indenture or the Notes except as provided in the Indenture. The Trustee may refuse to enforce the Indenture or the Notes unless it receives reasonable indemnity or security. Subject to certain limitations, Holders of a majority in principal amount of the Notes may direct the Trustee in its exercise of any trust or power.

The Trustee may withhold from Holders notice of any continuing Event of Default (except an Event of Default in payment of principal or interest or in the payment of any purchase obligation, or the Issuer's failure to convert Notes when obligated to convert them.) if it determines that withholding notice is not opposed to their interest.

14. Trustee Dealings with the Issuer.

Subject to the terms of the TIA and the Indenture, the Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with and collect obligations owed to it by the Issuer or its Affiliates and may otherwise deal with the Issuer or its Affiliates with the same rights it would have if it were not the Trustee.

15. No Recourse Against Others.

No director, officer, employee, member, incorporator or stockholder of the Issuer shall have any liability for any obligations of the Issuer under the Notes or the Indenture or for any claim based on, in respect of, or by reason of such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liability. This waiver and release are part of the consideration for issuance of the Notes.

16. Authentication.

This Note shall not be valid until an authorized signature of the Trustee (or an authenticating agent (acting on its behalf)) manually signs the certificate of authentication on the other side of this Note.

17. Abbreviations.

Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

18. CUSIP Numbers.

Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures the Issuer has caused CUSIP numbers to be printed on the Notes and has directed the Trustee to use CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.
