_	United States Steel Corporation Savings Fund Plan for Salaried Employees
	In our opinion, the accompanying statements of net assets available for benefits and the related statements of changes in net assets available for benefits present fairly, in all material respects, the net
	assets available for benefits of United States Steel Corporation Savings Fund Plan for Salaried Employees (the "Plan") at December 31, 2012 and 2011, and the changes in net assets available for
	benefits for the years then ended in conformity with accounting principles generally accepted in the
	United States of America. These financial statements are the responsibility of the Plan's management.  Our responsibility is to express an opinion on these financial statements based on our audits. We
	conducted our audits of these statements in accordance with the standards of the Public Company
	Accounting Oversight Roard (United States). These standards require that we plan and perform the

- Use of estimates The preparation of the financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amount of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
- c. Investment valuation The Plan's investments are stated at fair value as defined by ASC Topic 820, Fair Value Measurement (see Note 13).
- d. Net Appreciation/Depreciation The Plan presents in the accompanying Statements of Changes in Net

	Assets Available for Benefits the net appreciation/depreciation in the fair value of its investments which consists of the net realized gains or losses and the net unrealized appreciation or depreciation on those
